A SOUTHERN MAN FOR NEXT PRESIDENT

Names of a Number of Straight-Laced Old Fashioned Democrats.

CUBA STRUGGLING UNDER A TREMENDOUS MORTGAGE DEBT

Speaker of the Lower House of Congress Honored With a Dinner on the Fourth of July at Which Delegates From the British Colonies Will Be Present.

New York, June 21.—A special to the Tribune from Washington says: Congressman John Wesley Gaines, of Tennessee, in an interview favors the nomination of a Southern man for President in 1904. He says: "My proposition for the nomination of a Southern man for President in 1904 is taking like wild fire. Since I made it a week ago I have received stacks of letters from all parts of the country commending me. For more than 50 years this country was ruled by the south and I am satisfied we can regain control if we go about it in the right way. The first step in this direction should be the nomination of a straight, old fashion Southern Democrat for President in 1904."

The man who says that the south does not now possess an abundance of Presidential material is a fool. I can name a dozen men or more, any one of whom would make us a winning candidate." Then Mr. Gaines mentioned these names: Senator Morgan of Alabama, Senator Cockrell of Missouri, Senator Corman and Ex-Senator Turley of Tennessee; Senators Culberson and Bailey of Texas; Senator Bacon and Clark Howell of Georgia; Associate Justice White of Louisiana.

"And," said Mr. Gaines, "you might add to this list the name of John Marshall Harlan of Kentucky who, though appointed to the United States Supreme Court as a Republican has enunciated fine old Democratic doctrines from the bench more than once."

"The war is over and the south is an integral part of the union and not a singular possession or a Porto Rico and besides have not numerous ex-Confederates aided served on the bench of the Supreme Court and in other positions of the Federal Judiciary by appointment."

of both Democratic and Republican Presidents; also, have not several ex-Confederates served in the Cabinets of both Republican and Democratic Presidents? Congress has been full of ex-Confederates for 30 years. Surely, if ex-Confederates can be trusted to make and interpret laws they can be trusted to execute them. Therefore my voice from this time on shall be for a Southern man for President."

New York, June 21.—A special to the Tribune from London says: Speaker Henderson with his wife and daughter have arrived at Carlton House for a fortnight in London. The speaker will receive many courtesies from Speaker Gully and members of Parliament and will be a prominent figure at the Fourth of July dinner where he will speak. This dinner will be unusually large and important. Representatives of every self governing British colony will have seats of honor and Lord Stratford will respond for them. Lord Goschen, Sir Ian Hamilton, Levi P. Morton and Frederick H. Gillette will attend the dinner and speeches will be made by Ambassador Choate, R. W. Hamby, Bishop Welldon of Calcutta, Rev. Dr. Joseph Parker and the head master of Rugby.

He Has Saved My Life

State of Oregon }
County of Marion }
To whom these presents shall come greeting:
I, Dr. J. F. Cook, of said County of Marion, Oregon, do hereby certify that I have been afflicted with a malignant tumor for a number of years, also liver trouble. I desire to publicly state upon oath that Dr. J. F. Cook, of Salem, Oregon, has removed said tumor, two in number, without the use of knife, plaster or poisonous drugs, and that I am entirely, and as I believe permanently cured. I cheerfully recommend Dr. Cook to all persons afflicted as I was. I feel that he has saved my life. My home is three miles south of Turner, Oregon.

MRS. CAROLINE ROTZOLL.

Subscribed and sworn to before me this first day of May, 1901.

W. W. HALL, County Clerk.

Seal attached.

Do Not Listen to "Cappers"

Who are hired to defame me and my methods of treatment. If I could not cure people there would be no use to fight me. It is because I do cure people that I am personally misrepresented. I keep on curing folks just the same, and some of the best people in Oregon stand by me, for which I am thankful.

Send for Circulars containing testimonials from patients cured both in Oregon and in the East. Don't despair because you have been told you have been told you could not be cured. Dr. Cook has cured hundreds of people whose cases have been pronounced hopeless by the "old school" physicians.

The doctor has devoted the best years of his life to the study of disease, and the use and action of Nature's vegetable remedies, until he knows absolutely just what he can do. This gives him confidence.

scribed to the Victorian Memorial and

left J. Pierpont in charge of this millionnaire tribute. It was not considered good taste to have any premature announcement of this subscription and the delegates separated with the understanding that the matter should be left to the discretion of Mr. Morgan and be brought out after their return to America. Partial subscriptions are reported to have amounted to \$6000 without Mr. Morgan's own check and it has been understood that the amount may be enlarged to \$20,000. There was a proposal that the delegates money should be turned over to the Mansion House fund but this was not acted upon. The delegates retired from the festive scene of their own entertainment after empowering Mr. Morgan to settle all the details. It will be unfortunate if this disposition be made of their subscriptions, as there is another fund controlled by a representative committee of the American Society and started after an exchange of communications with Lord Esher and the King. These two funds ought to be amalgamated and used exclusively for the erection of a distinctive American memorial to the Queen, designed and executed by an American sculptor. Englishmen do not want Americans to help them out in paying for their memorial. They prefer to have a distinctive American tribute without any connection with the Mansion House. The king was consulted on this point and acquiesced.

Prohibition the Issue.

TEMPLE, Texas June 21.—Prohibition is the issue being fought out in the Bell county election to-day and the contest is one of the most exciting in the political annals of this section of the state. Both sides have been campaigning vigorously and the vote is expected to be close.

Japanese Minister

IS ASSASSINATED

YOKOHAMA, June 21.—Heshi To-u, who was minister "in communication" in the last Ito cabinet was stabbed to-day at the meeting of the city assembly, and died shortly afterwards. Hoshi

The assassination is supposed to have been due to politics.

CAMPING ON THE BORDER

Thousands Suffer Destitution in Hope of Grabbing Land

Outlaws Ready to Kill Others Who are More Successful Than They.

KANSAS CITY, June 21.—Thousands of people camping on the border of the Kiowa, Comanche and Apache reservations in Oklahoma, awaiting opening of that land to settlement, are in destitute circumstances, according to D. J. McKenna, who has just returned from the scene. "Only last Monday," said Dr. McKenna, "two friends and myself drove over to the border from Oklahoma City and the sight that greeted us was one of terrible destitution. Twenty thousand men, women and children are named on the border, and half of them are utterly destitute. Only a small percentage have even tents to sleep in, but huddle under wagons and such sheltering trees as they can find. At least 5000 of them have been there a year and a half."

They went with possibly \$200, or \$300, and have made nothing since they arrived. The pitiable thing about it all is that there are hundreds of desperadoes on the border, who have picked out claims, and will not scruple to kill successful ones in the drawing, in case they have lottery."

Boxer Trouble

NOT OVER

BERLIN, June 21.—The Cologne Volks Zeitung contains a special from German missionary in Shan Tung in which it is asserted that the Boxer trouble is by no means over, that the rebels are quietly enjoying the plunder from the missions, that philo foreign edicts are only blind, and that another and worse rising is expected soon. At the foreign office a gentleman on Chancellor Von Below's authority told representative of the Associated Press that this news was in no wise corroborated by official news from China.

Over 600 men employed in car shops of the Reading Railroad Company have struck for shorter hours and increased pay. Immediately thereafter the boiler makers struck.

THE RUSSIANS RESENT SOME LATE CRITICISMS

Paul du Chaillu, the African Explorer, Will Look Them Up.

THE CZAR'S SUBJECTS ARE LOYAL PROSPEROUS AND CONTENTED

Russian Students Like all Other College Boys—the Czar Animated Only By Good Will Toward all the Rest of the Civilized World.

New York, June 21.—The Tribune says: Just before sailing on the Augusta Victoria, Paul du Chaillu, the explorer, explained the objects of his trip to Russia as follows:

"Russia is misunderstood and that is because such an immense amount of misinformation is printed about it in this country. Enemies of Russia send out these lies for the purpose of spreading evil opinions of the country. I have met many Russians in their own country and in other countries, and I have found them to be a wonderfully fine people, full of life, energy and intellect. 'Russia, like ourselves, is young. There will be a tremendous expansion of our commercial relations with Russia consequent upon the development of the

and General Williams who represents the Cramp Shipbuilding firm in Russia who witnessed the disturbances, have stated more than once that there was nothing ominous of dangerous in them. I suppose that when school boys in this country become unruly and riotous the police are called on to suppress them. That is all that was done by my government during the students riots last March.

"Please say for me that the government which I represent was never more secure and stable nor were the Czar's subjects throughout his vast empire ever more loyal, prosperous and contented. They are progressing in all the arts of peace and in common with their imperial master they have nothing but good will toward all the peoples of the earth."

PLEADING HARMONY FOR 1904

CLEVELAND, O., June 21.—Contrary to general expectation, harmony prevailed at the Republican County Convention. Senator Hanna occupied a seat on the platform, and made a strong speech in favor of peace between the two factions of the party.

"Seldom has there been any campaign," he said, "of such importance as last year, bearing on questions of this moment, and this year it is the same. It will have great bearing on the President's work, and we should uphold him. This is the year we elect a Legislature to choose a successor to my distinguished colleague, Senator Foraker, and we should be united in the demand that he be sent back. No argument is so strong as an object lesson. The Republican party

promised the country that if McKinley was elected on the St. Louis platform all promises of propriety would be fulfilled. They were fulfilled. The renewed confidence of the people came with the fulfillment. Let us give notice to the opposition in Ohio and in the United States that the Republican ranks are filling up and preparing for the battle of 1904. Let this be the notice to the state and the United States.

The nominations subsequently made were pretty evenly divided between the two factions of the party."

MODOC COUNTY LYNCHING

ALTURA, Cal., June 21.—The grand jury of Modoc county, which has been investigating the lynching on May 30 of Calvin Hall, his three sons and Dan Lyantis for alleged thefts, has returned three indictments for murder. Robert Leventon, Isom Eades and James W. Brown are the persons named. It is understood that evidence was brought out by the investigation showing that these men were the principal participants in the events leading up to the wholesale lynching.

BOOMER BALLIET IS SUED

BAKER CITY, June 21.—An action was commenced here today to collect \$75 from Lateen Balliet, who has been in the public eye much of late as the mine promoter whose mail has been stopped by the government, and also as the proprietor of the Baker City Herald. John Wheeler charges that the amount is due him in the nature of salary, the debt growing out of a deal for the sale of a confidential telephone transmitter. Balliet is not here at present, as he departed immediately after visiting Baker to look into the stoppage of his mail here.
